

CPW's "Barrier Breakers" celebrates 10th year of hosting Wheelchair Basketball Game

Cerebral Palsy of Westchester's (CP/W) Barrier Breakers had their 10th Annual Wheelchair Basketball game on Thursday, May 11, 2017 at the Westchester County Center. Westchester County Executive Robert Astorino started the evening off with his opening remarks in celebration of this event milestone. During half time Cerebral Palsy of Westchester's Vocal Groove performed four wonderful pieces. Also during half time there was a "Hoop Shoot" foul shooting contest sponsored by the Mid Westchester Elk's Lodge #535. The contest included both teams, and trophies were awarded to the winners in each group and all players were recognized for participating with a medal. After the half time the game resumed and The Wildcats won after a fun competitive game.

Cerebral Palsy of Westchester would like to acknowledge the Westchester County Executive, Westchester County Department of Parks, Recreation and Conservation for providing us with the site and Westchester County Office for Disabled in coordinating this event with Cerebral Palsy of Westchester.
