

“Local Golf Outing organized By NYSBOC Westchester Chapter to Benefit Cerebral Palsy of Westchester”

EVENT: The New York State Building Officials Conference will be holding the 4th Annual Golf Outing, where all proceeds will be benefiting Cerebral Palsy of Westchester’s mission to ensure that children and adults with developmental disabilities can receive services and enjoy activities regardless of the level of their ability. The event will take place on Tuesday October 10th, 2017 at Westchester Hills Golf Club.

The New York State Building Officials Conference have been a tremendous supporter of Cerebral Palsy of Westchester over the past five years. Since 2012, the members have donated holiday gifts which Santa delivers to each student in our school program. For many of our children it would be the only gift they would receive due to the financial situations many of our families face. This holiday initiative touched the NYSBOC- Westchester Chapter members so much that they wanted to continue to see smiles on the faces of these children. After continued support in our Taste of Westchester event and holiday gifts for our school children, Cerebral Palsy of Westchester recognized the generous support of NYSBOC at the 9th Annual Caring Friends Breakfast in 2014. The Westchester Chapter chose CPW as their charity of choice and hosted the 1st annual golf outing in 2014 in which the proceeds went towards renovating our gym floor. The 2nd golf outing proceeds went towards our new sensory room located at our main campus. The room allows our individuals to receive many benefits including physical and psychological, while also having fun exploring freely. Our Boy Scout Troop has also been included in the golf outings as well as the Westchester Chapter’s Annual Conference by opening with “The Pledge of Allegiance.” Last year’s proceeds are going towards building a harmony park, a sensory garden and playground for our individuals to enjoy. We would like to thank the NYSBOC Westchester Chapter for their continued effort and support.

New York State Building Official’s Conference is a group of Building Officials that meet once a month to review code updates and code enforcements at 42 municipalities in Westchester County. The group has 150 active members.
