

A Division of Cerebral Palsy of Westchester

## School Program's Annual Prom

On Friday April 28th, the BRIDGE School, a division of Cerebral Palsy of Westchester hosted its end of the year Prom in honor of five graduating students. Three of the school classrooms gathered together for the event which included family, friends and staff. The gym was beautifully decorated with the theme "Hollywood" by LifeTime Events by Jacquelyn and Nova Original Events. The students enjoyed a red carpet entrance while stopping to strike a pose for the photographer. A special entrance was made by the graduating students as Prom Kings & Queens wearing crowns and sashes. Musical performances were given by CPW's Vocal Groove, a duo by one of our students along with one of our staff, and our guest guitarist Matty D. Everyone was dressed up and enjoyed lunch, dessert, and dancing to music. The students had fun taking pictures in the photo booth and eating cotton candy. The Division Director of Children's Services, Michael Musante stated "The Prom was a second to none event for our kids, and it's exactly what they deserved. Many thanks to all the staff for making the day a memorable one."

A very special thank you to our donors for this event: Cermele's Corporate Catering, Chubby Rental, Corbos at Belle Fair, Don Coqui, Elks Lodge, Fiorentinos Pizzeria, HVE Associates, LifeTime Events by Jacquelyn, Longford's Own-Made Ice Cream, Matty D Guitarist & Entertainment, Nova Original Events, Nyce Productions, Operation Prom, Strike A Pose Foto Booth, and Summit Cafes.

For over 65 years, Cerebral Palsy of Westchester has been the leading non-profit organization in Westchester County, providing essential services to children and adults with all developmental disabilities including autism, neurological impairments, intellectual disabilities, epilepsy and cerebral palsy. It has always been our purpose to help people realize their goals, build brighter futures, and lead more independent lives as members of their community.
