

## ***Cerebral Palsy of Westchester Is Taking Part in #GivingTuesday on November 28<sup>th</sup>, 2017***

Cerebral Palsy of Westchester (CPW) is planning to raise money towards our programs and services provided for #GivingTuesday, a global giving movement that has been driven by individuals, families, organizations, businesses and communities in all 50 states and in countries around the world. Since its founding in 2012, millions of people have come together to support and champion the causes they believe in and the communities in which they live.

Our organization's mission is to advance the independence, productivity, and full citizenship of people with Cerebral Palsy and other developmental disabilities. We are a non-profit organization that provides essential educational services, vocational training, recreation, rehabilitation and advocacy to thousands of children and adults in Westchester and Fairfield County. We are an organization proud to say that we Realize Tomorrow's Potential...Today!

### **About #GivingTuesday**

#GivingTuesday is a movement, built by people around the world, to celebrate giving of all kinds. It is celebrated on the Tuesday after Thanksgiving, Black Friday and Cyber Monday. This movement is the result of the collective power of a unique blend of partners—nonprofits; businesses and corporations; schools and universities; and families and individuals—to inspire people to take collaborative action to improve their local communities and contribute in countless ways to the causes they believe in. Everyone has something to give.

Those who are interested in joining CPW's #GivingTuesday initiative can visit <http://www.cpwestchester.org/donate/>
