

A Division of Cerebral Palsy of Westchester

A Special Prom for A Special Group of Students

On Friday April 27th, the BRIDGE School at Rye Brook, a division of Cerebral Palsy of Westchester hosted its 2nd annual end of the year Prom in honor of five graduating students. The entire school gathered together for the event which included family, friends and staff. The gym was beautifully decorated with the theme "Under the Sea" by LifeTime Events by Jacquelyn and Nova Original Events. The students enjoyed stopping to strike a pose for the photographer as they entered. A special entrance in a limousine was made by the graduating students as Prom Kings & Queen wearing sashes. CPW's Vocal Groove sang the National Anthem and a musical performance was given by a duo by one of our students along with one of our staff. Everyone was dressed up and enjoyed lunch, dessert, and dancing to music. The students had fun taking pictures in the photo booth and eating cotton candy. The School Social Worker, Tenisha-Neil Robinson stated "Watching the students prepare for prom was the most exciting thing to witness. With the help of the occupational and physical therapists, I have watched them blossom into young ladies and young men."
