Cerebral Palsy of Westchester Benefits from Reusable Bag Program at Port Chester's Stop & Shop

Rye Brook, NY – Cerebral Palsy of Westchester (CPW) has been selected as the January beneficiary of the Stop & Shop Community Bag Program at the Port Chester Stop & Shop, located at 25 Waterfront Place. During this month, CPW will receive a portion of the sales for every reusable Community Bag purchased.

For the entire month of January 2021, Cerebral Palsy of Westchester receives a \$1 donation every time a \$2.50 reusable Community Bag is purchased at Stop & Shop's Port Chester location. **So, when grocery shopping in Port Chester this month, please visit the Stop & Shop at Waterfront Place, and purchase the reusable Community Bag!**

The Stop & Shop Community Bag Program, launched in May 2019, is a reusable bag program that facilitates community support where shoppers live and work. The program benefits organizations local to each Stop & Shop location. Each month, Stop & Shop contributes money to roughly 400 non-profit organizations throughout the United States.

About CPW:

Now entering its 72nd year, **Cerebral Palsy of Westchester's** mission is to advance the independence, productivity, and full citizenship of people with all developmental disabilities including autism, neurological impairments, intellectual disabilities, epilepsy, and cerebral palsy. Through a comprehensive network of educational programs, residential sites, therapeutic services, employment training, recreation programs and advocacy, the agency helps thousands of children and adults in Westchester and Fairfield Counties live more productive and satisfying lives. The organization's motto is: Realizing Tomorrow's Potential . . . Today!

Stop & Shop Port Chester has been serving families for more than 100 years. Starting with fresh produce and hand-trimmed meats to health and beauty care products and household essentials, Stop & Shop has everything you need to put dinner on the table and keep your home running smoothly.
